

## FINANCIAL SITUATION OF EACH REGIONAL FUND

## Please, would you be so kind to fill in this form and return it to sulyok@mfg.de

Regional Film Fund	General aims	Conditions of eligibility Rules for funding	Kind of supports Minimum and Maximum amount	Coproduction conditions	About the rights	Film Selection Decision Making Process	Total budget invested in production (all types of film)	Numbers of animation films supported in 2007- 2010	Do you support a new funding program in your region	Do you have Cluster activities
Northern Germany FILM-FÖRDERUNG HAMBURG SCHLESWIG- HOLSTEIN GmbH vww.ffhsh.de Hamburg and Schleswig-Holstein, the most northern federal states of GERMANY	The support scheme is installed to develop, maintain and strengthen film culture and film industry in Hamburg and Schleswig-Holstein.     Subsidies are provided for low- and high-budget films, all genres, every length, all stages of production and exploitation and TV productions. Essential: exceptional quality. economic promise and important contribution to film culture.     To as aleguard and create employment in Hamburg and Schleswig-Holstein, at least 150% of the funding awarded should be spent in the region.     To encourage shooting in Northern Germany, film commission offices in Hamburg and Kiel offer advice and services to German and international producers and filmmakers, www.fchsh.de.	of more than 800 000 Euros overall costs, committee 2 up to this sum; 3 application	Scriptwriting (up to 50 000 Euro)     Project Development (up to 110 000 Euro)     Production (up to 50%, in rare cases up to 70-80% of overall costs; TV-productions: funding up to 30%)     Special Projects (including subtiting, festival screenings, securing footage)     Distribution and Sales (up to 200 000 Euro)	see rules for funding.     A German or     Hamburg/Schleswig- Holstein based co- producer is highly recommended.     At least 150% of the funding awarded should be spent in the region.	FFHSH generally does not acquire right. If funded scripts do not go in production in a fixed period, rights revert to FFHSH until funding repayment.	Three application terms p.a. in each of two funding committees. Funding committee 1 decides on projects of more than 800 000 Euros overall costs, committee 2 up to this sum	in 2011: about 12 Million Euro	2011: production funding: 4 projects with 11 Million Euro and 6 project developments with 300.000 Euro. • Animation Projects 2007- 2010: 37 projects funded within production and 8 distribution, total amount about 6,8 Million Euro	First Motion Crossmedia for the Battic Sea Region	No.
Film Fund Fuzz	To strenghten the audiovisual industry in Western Norway through co-production investments in features, tv-series and games	Part of the production must take place in the region of Western Norway. 100 % of the fund's investment must be spent in the region 's audivisual sector.		The producer must be either Norwegian or working with Aducer (preferably, but not necessarily from our region). Rules and regulations can be downloaded from our website.	100% recoupment and negotiable return on investment paid pro- rata and pari passu with other equity investors	All decisions are made by a board, judging primarily by regional effect and financial aspects.	€ 5 000 000	1 tv saries (Sunshine Kathy, Kool Productions)
